4 Matters Arising from the Minutes:

4.1 Tuesday Club Bank Account:

Clerk noted the forms guaranteed as being correctly completed and signed off by the TSB representative in Beverley have been returned twice more despite the Clerk contacting them by telephone, letter and in branch. She continues to pursue the changes in signatories.

4.2 Footpath Reports:

The Clerk is able to confirm that she has reported all of the identified issues to the responsible parties. Cllr Beachell confirmed some issues have been rectified. Cllr Hill noted that footpaths around/across agricultural land are in need of cutting back again despite having been done approximately 2 months ago. Following discussion it was agreed that the Clerk will ask for them to be cut again but it is expected that there will be a negative reply to this request until they are due to be cut in the autumn.

4.3 Vice Chair Nomination:

The Clerk reported that Cllr Jeffrey has declined the nomination to act as Vice Chair.

5 Clean Air Solar:

5.1 Clean Air Solar Update:

The Clerk reported that since the last meeting BPC has held a joint meeting with Watton, Leconfield, Lockington and Hutton Cranswick Parish Councils, along with parishioners, to discuss their response to the proposals and how collaborative working along with the action group formed by those affected by the newly planned Southern Parcel; approximately 50 people were present at the meeting. Additionally, it was agreed that working together gave the smaller parishes with fewer residents a stronger voice.

Public Consultation Events were held at Lockington, Beverley and Walkington in June, along with a webinar. Following distribution of leaflets advertising the events by the Action Group, a large number of residents attended at Lockington.

The Clerk is a member of the Action Group Steering Committee and Cllrs are invited to assist by joining this or the Reference Group.

Cllrs agreed to continue to work with the Action Group and to fight the proposed solar farm in the parish in a bid to represent parishioners affected.

5.2 Clean Air Solar Consultation and Parish Submission:

It was noted that the consultation is due to close on 13 July 2026. The PC's response was discussed and the Clerk instructed to complete the form with discussed content prior to the closure of the consultation. All Cllrs were requested to complete personal feedback forms via the Clean Air Solar website.

5.3 Clean Air Solar Planning Inspectorate:

The Clerk presented the Scoping Report received and distributed electronically prior to the meeting. 5.4 Any Other Clean Air Solar Issues:

None.

6 Dogger Bank D:

The Non-Statutory Consultation phase of this development commenced on 23 June 2026 with a number of in-person events arranged for July 2025, the details of which the Clerk has previously made public to Cllrs and Parishioners but all of which took place prior to this meeting. Cllrs received a printed copy of the consultation documents. Cllrs and parishioners may complete the online form via their website www.doggerbankd.com or to complete a printed form, request a copy from the Clerk (return free of charge) who has obtained a supply of them. All feedback must be made by the close of the consultation at 11.59pm on Monday 3 August 2026.

The proposal was discussed and the Clerk instructed to complete the form with agreed content.

7 Email Address Update:

As ERYC has failed to provide the promised .gov.uk email address, an alternative has been sourced which is free of charge at this time and provides a single email address for the Clerk which meets with the new requirements: clerk@beswickparishcouncil.gov.uk along with 30GB of memory, 10GB of which is in the cloud. The provider of this service is Parish Online who are also providing the same facility for Lockington and Dalton Holme Parish Councils.

Following discussion, Cllr Blair was elected to the post of Vice Chair. (Nominated Cllr Beachell, second Cllr Corscadden.)

It was reported that parked cars are again causing an issue at the north end of Main Street leading to an accident black spot. It was requested that BPC address the issue. 12.4 Drain at Pear Tree Cottage:

Cllr Hill reported that the drain outside Pear Tree Cottage is not functioning as a result of a blockage. Clerk to request ERYC Highways address.

12.5 Cables in Trees at Beswick:
