

Beswick Parish Council

Meeting of the Council to be held at 7 pm on Wednesday, 14 November 2018 at Kilnwick Village Hall

AGENDA

1 Apologies for Absence:

2 Declarations of Pecuniary and Non-Pecuniary Interests:

3 Minutes:

To approve as an accurate record the minutes of the meeting held on 12 September 2018.

4 Matters Arising from the Minutes:

17.4 Street Lighting in Kilnwick:

Cllr Quinn to provide further information, if available.

11. Road Verges and Eco-Diversity of the Parish:

Cllr Reid to report correspondence with Paul Tripp, Head, Street Scene Services, ERYC, and Andy Harper, Operations Manager, GMU Tech/Forestry, ERYC.

12. Public Rights of Way:

Watton Footpath No. 11 and Bridleway No. 19. To note that no appeals have been lodged and that the Order has been confirmed.

14.2 Beswick Road Safety:

The Clerk and Cllr Scaife to report any developments or correspondence.

5 Meet Proposed new ERYC County Councillors:

Following notification by Cllrs Parnaby, Pollard and Birmingham that they will not be standing for election in 2019, candidates hoping to replace them are introducing themselves to the PCs.

6 Planning Applications:

To discuss all planning applications received by the BPC since the last meeting including:

6.1 Planning Application Ref: 18/01280/PLF

Woodford House 37 Main Street Kilnwick East Riding of Yorkshire YO25 9JD, Erection of Storage Building. Erection of a storage building and change of use of land for storage of building materials - Approved.

6.2 Planning Application Ref: 18/03414/PLF

Erection of a two-storey extension to the side, single storey extensions to the front and rear and loft conversion with dormer window to the rear.

7 Correspondence:

7.1 Housing Needs Survey Report - David Siddle

7.2 Graham Stewart MP - Defibrillator Survey

7.3 East Riding Local Plan Review - to consider attendance at planned meetings

8 Orsted's Proposed Hornsea Project Four Offshore Wind Farm:

Cllr Reid to outline how the transmission line of this project might affect the Parish.

9 Meeting with Police & Crime Commissioner:

Cllrs Beddows and Quinn to report issues of importance to the Parish, including vehicle speeding on country lanes subject to speed restrictions, raised at a meeting in Driffield 3 October 2018.

10 Light Aircraft Accident 10 October 2018:

To note this significant incident and record condolences for the tragic loss of two lives.

11 Finance:

11.1 Finance Update:

Clerk to report.

11.2 Payments:

Confirmation and payment as per requests:

SLA Street Lighting ERYC - £1883.64

12 AOB: *Items arising under AOB cannot be resolved if they involve expenditure or commit the Council to a course of action but will appear on the next Agenda.*

Date of Next Meeting: 9 January 2019

Beswick Parish Council

Meeting of the Council held at 7 pm on Wednesday, 12 September 2018 at Kilnwick Village Hall

MINUTES

1 Apologies for Absence:

Cllrs Quinn and Lee, ERYC Ward Cllr Pollard.

Present:

Cllr Reid (Chair), Cllr Scaife, Cllr Beddows, J Bugg (Clerk) and 3 parishioners.

2 Declarations of Pecuniary and Non-Pecuniary Interests:

Cllr Beddows - Non-pecuniary (The Park).

3 Minutes:

The minutes of the meeting held on 11 July 2018 were agreed as an accurate record.

4 Matters Arising from the Minutes:

7 Vacancies for the Role of Parish Councillor:

The Clerk reported that Mr Robert E Lee and Mr Anthony E Beddows are confirmed in their appointment.

14.3 Footpath Damage:

The Clerk reported that no actions had been taken since the last meeting.

17.4 Street Lighting in Kilnwick:

Cllr Quinn's report on his research was presented by Cllr Reid. Following discussion, Cllr Reid expressed his gratitude to Cllr Quinn for his work to date and it was agreed to ask that Cllr Quinn continue his investigation and bring a revised report to the next meeting:

1. The costs involved in taking out loans with 'green' banks. In other words, what are current indicative interest charges on the loan that might be required and (at current rates) the cost of this as an addition over the longer-term periods of projection.
2. Under option D, there was a query as to why the change in lighting would cost £3800 rather than £3500 + £720 = £4220?

5 Planning Applications:

To discuss all planning applications received by the BPC since the last meeting including:

5.1 Planning Application Ref: 18/01280/PLF

Woodford House 37 Main Street Kilnwick East Riding of Yorkshire YO25 9JD, Erection of Storage Building. Erection of a storage building and change of use of land for storage of building materials (AMENDED PLANS AND DESCRIPTION).

It was agreed that there was no objection to the amended application but it should be noted that there was still no provision for the rainwater drainage from the hardstanding.

5.2 Planning Application Ref: 18/02314/STPLFE - Horn Hill Poultry Farm, Middleton Road, Kilnwick

It was noted that this application had been received between meetings so feedback had been given following email discussion. With the proviso of shed height, BPC supported the application. The actual height of the existing sheds had not been specified, so the height of the new sheds could be an issue. The application states that the sheds cannot be seen from the road, when in fact they can. The hedge to act as a camouflage should be planted at the earliest opportunity. Cllr Reid reported that,

topographically, soak away water from the site could enter Bracken Beck and preventative safeguards need to be in place.

6 Correspondence:

Cllr Beddows agreed to accept the invitation to meet the PCC and Deborah Fagan at the following location:

East Riding Area	location	Address	Day	Date	Meeting Time
North	Driffield Rugby Union Club	Kelleythorpe Driffield YO25 9DW	Wednesday	03/10/2018	7 - 8.30pm

7 Speeding on C59:

The issue of speeding through Kilnwick on the C59 was raised by a parishioner. The use of speed guns to register speeding traffic was discussed with Cllr Reid reminding the meeting that, previously, BPC was advised against this. **Action:** Cllr Beddows will raise the issue at the PCC meeting on 3 October and Clerk to make an enquiry with Humberside Police as to the possibility of volunteers taking this on.

8 Parking in Kilnwick - The Park

Cllr Reid reported that a number of incidents of alleged inconsiderate parking by users of The Park had taken place during the summer. A parishioner living locally had been subjected to vandalism – several potted plants had been sprayed with weed killer and an obnoxious substance had been sprayed through the letter-box. There is no evidence that these acts were linked to users of The Park.

Tim Bristow, Chair of The Park Trustees, spoke on behalf of The Park in response to complaints. A sign had been erected and a notice placed on The Park website requesting that users park vehicles considerately. Also, a way-marker had been re-sited and new signs had been located along the footpath in order to help avoid confusion as to how to access The Park. It was hoped that the situation had now been diffused.

9 Beswick Village Phone Box Renovation:

Cllr Reid reported on progress by the Beswick Village team in renovating the phone box in preparation for installation of the defibrillator provided by LKAB Minerals and expressed his appreciation to Mr Chris Hill for his efforts in coordinating the work. The expenditure associated with the renovation (£85.31) was noted and approved. It was noted that the ‘telephone’ signs will need to be replaced with an appropriate ‘defibrillator’ signs and a local electrician will be needed to install the defibrillator now the box is nearing completion.

Action: Cllr Scaife to pass details of electricians to Chris Hill.

10 Kilnwick-Beswick Tuesday Club:

Cllr Reid reported a very successful year for the club with a number of speakers having added to the social activities. The most recent speaker, Marion Gamble has confirmed that a total of £195 was raised for the Yorkshire Air Ambulance following her visit. Cllr Reid asked for support to continue the club into 2019. Cllr Beddows proposed that this should be the case, seconded by Cllr Scaife; passed unanimously. The dates of the meetings were proposed (NB no meetings in August and December) and the Clerk was asked to book the Village Hall for the sessions below:

- October 30 2018
- November 27 2018
- January 29 2019
- February 26 2019
- March 26 2019
- April 30 2019
- May 28 2019
- June 25 2019
- July 30 2019
- September 24 2019

11 Road Verges and Eco-Diversity of the Parish:

Cllr Reid introduced the notion that, having due regard for issues of road user safety, the wide verges characteristic of many of the roads of the parish are a valuable ecosystem and that mowing is unnecessary except at road junctions and along road edges and to consider approaching ERYC to ascertain its policy and raise issues of nature conservation. Following discussion, it was agreed to ask ERYC to provide its mowing policy and that Cllr Reid should action this.

12 Public Rights of Way: Watton Footpath No. 11 and Bridleway No. 19:

Cllr Reid reported on information provided by Debbie Smedley (Definitive Map Officer, ERYC) on the outcome of the inspection by the Planning Inspectorate and the implications for PROWs in the vicinity of Wilfholme Landing and, more broadly, the River Hull Valley. The order to realign Watton Footpath No. 11 and Watton Bridleway No. 19 has now been approved. Appeals may be made by landowners to the High Court in London up to six weeks after publishing the order. The problems of alignment of and access to Beswick Footpath No. 18 will now be tackled.

13 Finance:

13.1 Finance Update:

Clerk presented the current financial report.

13.2 Payments:

Confirmation and payment of expenses to Chris Hill as discussed above - £85.31.

14 AOB: *Items arising under AOB cannot be resolved if they involve expenditure or commit the Council to a course of action but will appear on the next Agenda.*

14.1 Flood Issues Survey:

Cllr Reid responded to the survey, reporting the Kilnwick village floods of 2007 and 2012 as well as flooding from overland flow at the Old Hall, Kilnwick, and the over-banking of the Beverley/Barmston Drain. It was reported that the Environment Agency is seeking to lose responsibility for the Wilfholme Pumping Station. The Beverley & North Holderness Internal Drainage Board is seriously concerned that a breach in Old Howe (at Foston) means that 'high level' river water has penetrated as far as Wilfholme and exacerbated local flooding.

14.2 Beswick Road Safety:

Cllr Scaife reported that she has been approached by farmers in Beswick about the safety of crossing the A164 with farm machinery when entering, from the north, the farm entrance just south of the most northern road into the village. It was reported that a number of 'near misses' had been experienced as motorists failed to react appropriately to the signals and manoeuvres of farm machinery. It was requested that the PC investigate the possibility of road signs for tractors turning into the concealed farm entrance. It was agreed that the Clerk contact ERYC with regard to this issue.

14.3 Obstruction of Footpath:

A parishioner raised the issue of an overgrown hedge at 8 School Lane, Kilnwick which is blocking the public footpath. It was agreed that Cllr Reid would inspect the area in daylight and that if necessary the Clerk would be asked to write to the occupier and request that they cut the hedge.

Meeting Closed 8.19 pm

Date of Next Meeting: 14 November 2018
