

## Local Landscape History

If you are interested in local historical geography and want to know more about the evolving landscape of the East Riding and how it was transformed by artificial drainage work over the last millennium, you can do so from:

River Hull Drainage Heritage Group 2014 *Becks, Banks, Drains and Brains – The Drainage History of the River Hull Valley*. 2<sup>nd</sup> Edition. East Riding of Yorkshire Council. ISBN 978-0-9552912-1-0. The book is available from The Treasure House, Champney Road, Beverley, HU17 8HE.
